

ARDINGLY

Traffic assessment

Draft questions for Survey Monkey questionnaire

The Parish Council's vision for Ardingly is to conserve and improve the village, encourage a greater sense of inclusion, safety and pride in the community, and promote sustainable and vibrant economic activity while protecting and enhancing the outstanding landscape setting of the parish.

Consultants have been engaged to carry out a comprehensive traffic appraisal within this context.

Following the very well attended public meeting on 11 December last year, the Parish Council is keen to hear the views of as many people in the community as possible.

May we ask you to spend a few minutes answering the following questions?
