 - have requested a limited assurance review (fee payable)

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2018/19

1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 must complete Part 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with Proper Practices.
2. The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:
 - The annual internal audit report is completed by the authority's internal auditor.
 - Sections 1 and 2 are to be completed and approved by the authority.
 - Section 3 is completed by the external auditor and will be returned to the authority.
3. The authority must approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both must be approved and published before 1 July 2019.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, must return to the external auditor by email or post (not both):
 - the Annual Governance and Accountability Return Sections 1 and 2, together with
 - a bank reconciliation as at 31 March 2019
 - an explanation of any significant year on year variances in the accounting statements
 - notification of the commencement date of the period for the exercise of public rights
 - Annual Internal Audit Report 2018/19

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the review and is able to give an opinion on the limited assurance review, the Annual Governance and Accountability Section 1, Section 2 and Section 3 – External Auditor Report and Certificate will be returned to the authority by email or post.

Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on a publicly accessible website:

Before 1 July 2019 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- Section 1 - Annual Governance Statement 2018/19, approved and signed, page 4
- Section 2 - Accounting Statements 2018/19, approved and signed, page 5

Not later than 30 September 2019 authorities must publish:

- Notice of conclusion of audit
- Section 3 - External Auditor Report and Certificate
- Sections 1 & 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*For a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2018/19

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this Annual Governance and Accountability Return. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Where amendments are made by the authority to the AGAR after it has been approved by the authority and before it has been reviewed by the external auditor, the Chairman and RFO should initial the amendments and if necessary republish the amended AGAR and recommence the period for the exercise of public rights. If the Annual Governance and Accountability Return contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the annual internal audit report if possible prior to approving the annual governance statement and before approving the accounts.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness before returning it to the external auditor by email or post (not both).
- Do not send the external auditor any information not specifically requested. However, **you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the Annual Governance and Accountability Return covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2018) equals the balance brought forward in the current year (Box 1 of 2019).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the period for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the approved accounts and accounting records can be inspected. Whatever period the RFO sets it **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2019**.

Explanation of Variances

Receipts

Precept	£79,501	£81,232	£1,731	+2%
Other Receipts	£15,416	£8,979	-£6,437	-42%

The precept for 2018-19 was increased by 2% - a cost of living increase.

Other income was reduced by £6,437. This was due to a one-off grant of £5,000 being received in 2017-18 towards the cost of a new piece of playground equipment.

Expenditure

		2017/18 (£)	2018/19 (£)	Variance (£)	Variance (%)
Staff Costs		£20,933	£17,073	-£3,860	-18%
Other Payments		£67,505	£47,006	-£20,499	-30%

Staff Costs

Staff costs during 2017/18 were higher than expected as staff worked overtime to implement a new finance system. Also, during 2018/19 the Council had no clerk in position for the last 3 months of the year.

Other payments

Other expenditure decreased by £20,499 down by 30% from 2017-18.

During 2017.18 £17,000 was spent on one-off expenditure including a new piece of playground equipment and the purchase of 2 portable speed indicator devices.

Fixed Assets

The fixed asset value has increased by £400 the cost of a new lap top for the clerk.

ARDINGLY PARISH COUNCIL
Internal Audit & Annual Review – 31/03/2019

In accordance with my Internal Audit Plan, Controls and Procedures have been tested, with Fraud and Risk Issues reviewed - these are well managed, as set out in the Governance and Accountability for Local Councils Practitioners' Guide 2019 and meet the needs of the Council. I would only comment by exception. I confirm that I do not have any role within the Council. I will carry out my duties without bias and follow the Public Sector Internal Audit Standards 2012 - to enable the Council to comply with these Standards and the Accounts & Audit Regulations 2015.

Comments:

1. AGAR 31/03/2018. After the year-end, it was discovered that a cheque had been issued in the year for £2999.19, whereas it should have been for £2299.19. The £700 difference was listed by the Accounting Package in the Accruals for the year-end. Subsequently, the Accounts Package Company decided to make the following adjustments. The AGAR 31/03/2018 has now been restated, raising the Staff Costs by £700, reducing the Reserves by £700 to £152142, and reducing the Cash Balances by £700 to 149152.

2. AGAR 31/03/2019. This is correct. The Supporting Reserves Reconciliation (Accruals) is also correct. The Supporting Reserves Statement for 31/03/2018 has been restated – the 1/04/2018 year-start Reserves of £152142 on the AGAR is correct. The closing Bank Balances as at 31/03/2019 of £156345 are also correct. The 31/03/2019 Reserves of £156896 are correct.

3. Risk Register. Due to a change in the Clerk during the year, the Review of the Risk Assessment is overdue – this will be completed shortly
